Chocolate After Dark

The Gala

We invite you to join with us in empowering domestic and sexual violence victims by sponsoring our 18th Annual Chocolate Festival. This exciting gala, to be held on April 15th from 6:00p.m. to 9:00p.m., will be raising funds to support our campaign to build new emergency shelter facilities for our clients and provide support to these individuals with access to housing, food, advocacy, support groups, and life skills courses to provide them with not only the secure environment needed to identify needed changes but to have necessary support and strategies to affect those changes on a long-term basis. There are several levels of support available for all who wish to support ending this violence in our community.
